Regional Observatory for
Quality Assurance

This publication has been funded with support from the European Commission (Tempus IV). This website reflects the views only of the author, and the European Commission cannot be held responsible for any use which may be made of the information contained therein.

The Western Balkans Regional Observatory for Quality Assurance is one of the outputs achieved under the CUBRIK project: *Strengthening Quality Assurance System within Western Balkans HEIs in Support of National and Regional Planning.*

SHARING EXPERTS

A special section is devoted to information related to international experts to be shared among the Quality Assurance Agencies. They will be an enriching part of your evaluation process or the one of the Higher Education Institutions of your country.

MAIN AIMS

- Foster regional initiatives in terms of Quality Assurance of Higher Education at all levels
- Encourage regional cooperation sharing good practices and challenges

By means of:

- Provide strategic information to enable institutional leaders and policy makers to make informed decisions relevant to their existing and/or future national and transnational higher education initiatives
- Provide access to state-of-the-art research, resources, best practices,

emerging trends, policy frameworks and assessment and quality assurance documents for the effective delivery of transnational higher education academic programmes and services

The Observatory Website has been created by the University of Alicante and after the CUBRIK project end, it will be maintained by the three Agencies for Quality Assurance from:

- Bosnia and Herzegovina Agency for Development of Higher Education and Quality

Assurance (Benjamin Muhamedbegović, benjamin.muhamedbegovic@hea.gov.ba)

- Higher Education Accreditation and Evaluation Board of the Republic of Macedonia (Mihail Petkovski, mpetkovski@eccf.ukim.edu.mk)
- Serbian Commission for Accreditation and Quality Assurance (Ivan Milentijević - ivan.milentijevic@elfak.ni.ac.rs)

Each Agency is in charge of updating the content relevant to its country
